

COUNTRY GUESTHOUSE SCHÖNEGG

381 Hillview Drive
Murrumbateman 2582
Star Rating: 4 & ½

Accessibility Notes

Original document: Bruce Cameron, Easy Access Australia – March 2006
Revised by: Richard Everson, Owner Country Guesthouse Schonegg – December 2009

Overview

Schonegg offers guesthouse accommodation and a licensed a la carte restaurant (restaurant open to guesthouse guests for dinner Wednesday – Sunday).

Accessible Accommodation

- One fully accessible room (Viognier Room) compliant with AS1428.1.
- One accessible room (Sauvignon Blanc Room) which will suit some visitors with mobility impairments but not all wheelchair users. The ensuite bathroom does not contain grab rails.

Reservations:

Phone: 02 6227 0344

TTY: Nil

Fax: 02 6227 0361

Web: www.schonegg.com.au

Email: info@schonegg.com.au

Transport and path of travel:

Schonegg is located 4kms along Hillview Dr which is off the Barton Hwy at the town of Murrumbateman. Private vehicle and taxi are the only forms of transport direct to Schonegg. Hosts are happy to collect guests from Yass or Murrumbateman Village. Murrumbateman has bus links from Canberra; Yass has rail links from Sydney and Melbourne.

Parking:

One dedicated car space in the car park which is located about 15m from the main entry. The path of travel is paved and down a gentle gradient from the car park to entry.

Main entry and foyer:

Up a gentle paved grade from the path.

Signage, Toilets and Corridors:

Exit signage is clear. An accessible unisex toilet is located at the end of the restaurant corridor adjacent to the Sauvignon Blanc Room. The narrowest clear space along the corridor is 770mm at one point. Generally the corridor is 1m wide. The floor surface is level, patterned concrete. The Viognier Room is located adjacent to the accessible car park. Two folding kerb ramps provide access to this room and the guest lounge.

Key Measurements:

Viognier Room

Bedroom: 3.75 m length x 4.0 m width

The door width is 870 mm with a lever handle at 930mm. No automatic door return and the internal corridor width is 1.4 m. One King bed 495mm in height with 20mm clearance underneath. **Bed blocks are available to raise the bed height.** The distance from the foot of the bed to the sliding patio door is 1.4m. The distance of the corridor side of the bed to the wall is 2 m. Room furniture can be moved. Lights and stereo can be operated from the bed.

Bathroom: 3.4m length x 2.6 m width

The sliding door width is 870mm. There is a wheel-in-shower, hand-held shower rose, lever taps and a folding shower bench seat is provided. Shower grab rail is provided. The width of the shower area is 1.16 x 1.1 m. The toilet height (top of pan) is 450 mm high, the front of the bowl to the back wall is 800mm and the centerline of the bowl to the side wall is 450 mm Toilet grab rails are installed. Basin height is 860mm, with a lever tap. The light switches are 1m high.

Sauvignon Blanc Room

Bedroom: 3.7m length x 3.75 m width

The door width is 825mm with a round knob at 930mm. No automatic door return and the internal corridor width is 820 mm. One Queen bed 495mm in height with 20mm clearance underneath. **Bed blocks are available to raise the bed height.** The distance from the foot of the bed to the sliding patio door is 1.4m. The distance of the corridor side of the bed to the wall is 1.6m and limited on the opposite side. Room furniture can be moved. Lights and stereo can be operated from the bed.

Bathroom: 3.14m length x 2m width

The door width is 825mm, and the door has a round knob. There is a wheel-in-shower means, hand-held shower rose, lever taps and a shower seat is provided. However there are no shower grab rails. The width of the shower area is 810m. The toilet height (top of pan) is 400mm high, the front of the bowl to the back wall is 680mm and the centerline of the bowl to the side wall is 680mm No toilet grab rails. Basin height is 860mm, with a lever tap. The light switches are 1m high.

Restaurant

There is wheelchair access to the restaurant. An accessible unisex toilet is available at the end of the corridor. The tables are moveable; a large print menu is available on request.
